“To put it simply, I love helping people manage and plan their cash flow. It is my passion to help Filipinos, from different social classes and backgrounds, for them to be more equipped in their finances and help them towards their goal of financial freedom.”- Marvin Germo

ABOUT MANILA WORKSHOPS

Manila Workshops (GPA Events Management Services) was founded in 2012 by Mompreneur, Ginger Palma-Arboleda, to help people achieve their personal and professional goals by providing an interactive venue for individuals to learn more about life and business. Since 2012, Manila Workshops has been actively creating lifestyle workshops and has been partnering with corporate clients and home-based businesses with the same goal. It seeks to continuously create workshops that would help enhance one's knowledge in different areas such as creativity, business, and personal development. Furthermore, Manila Workshops also provides marketing and logistic support for “trainers” and “speakers” who are experts in their craft.
